ATLANTA QUIET AFTER CARNAGE

Eighteen Victims Black and White Reported.

Citizens Call for Closing of Dives and Protection of All People in City.

FOUR COMPANIES OF MILITIA

Atlanta, Ga., Sept. 26.—Known dead who have met death with riots here since last Saturday night number one white man and 18 negroes. To this number might be added the name of Mrs. Robert P. Thompson, a respectable white woman who dropped dead Monday evening after seeing two negroes shot and beaten in front of her home.

The main event was the ordering into the city of four companies of militia from outside points, Governor Terrell saying it was a matter of precaution rather than pressing necessity.

To Close Dives.

Atlanta, Sept. 26.—A largely-attended meeting of representative citizens was held at the chamber of commerce rooms at noon today. Resolutions were adopted unanimously calling upon the mayor and the general council to close all dives, restaurants, saloons, pool and club rooms frequented by negroes. The resolutions ask that licenses for all these places be revoked and the places be kept closed permanently. Several prominent preachers attended the meeting by invitation and spoke in condemnation of the outrages committed by both races. They promise to use their influence to quiet the members of their race, and asked that protection be afforded to innocent negroes, as well as to whites.

APACHE INDIANS

Will Remain at Fort Sill Military Reservation.

Lawton, Okla., Sept. 26.—John Loco, one of the best-educated and most prominent leaders of the Apache tribe of Indians, has just completed a fifteen days' sojourn through New Mexico and Arizona for the purpose of investigating conditions in these territories, looking to the removal of the Apaches from the Fort Sill military reservation to these territories. This was their old stamping grounds, but Loco was so unfavorably impressed with the conditions that he will not suggest the change.

FIGHT AT CRETE.

And Sailors From British Cruiser Restore Order.

Athens, Greece, Sept. 26.—Serious fighting occurred between the insurgents and international troops stationed at Crete today, on occasion of the retirement of Prince George, of Greece, as high Commissioner of the powers on the island. Many combatants were injured. It was necessary to land sailors with machine guns from a British cruiser to restore order.

New Orleans, Sept. 26.—William Boyd, of Laurel, Miss., a business man and a prominent member of the Mississippi Odd Fellows, was held up, robbed and beaten into insensibility by highwaymen at St. Charles and St. Joseph streets last night. The robbers escaped. Boyd came here to attend the Bryan celebration.

It is the daily average circulation of a newspaper that the shrewd advertiser investigates—"High Water" days don't count. The Sun's daily average last month was 3940.

"THE CLANSMAN" BARRED.
Cannot Show in Macon, and in All Georgia.

Macon, Ga., Sept. 26.—Thomas Dixon's play, "The Clansman," booked to appear in the theaters here Wednesday night, will not be permitted to appear by order of the mayor. In view of the race riots in Atlanta, it is deemed unwise to let "The Clansman" appear. Steps will be taken, it is said, to keep the show out of the theaters of Georgia. The public is not favorable to a second appearance.

DIE OF FEAR

BOMBS AND POISON NOT NEEDED TO KILL THESE.

American Legation in Danger From Finnish Revolutionists Bent On Loot.

Stockholm, Sept. 26.—The American legation although not the direct object of the planned outrage, had a narrow escape from being blown up by the Finnish revolutionists who were arrested here September 22, and was only saved by the timely arrest of the conspirators. It appears that the latter intended to rob the State bank, occupying part of the same premises as the legation.

Officials Die From Fright.

New York, Sept. 26.—A special dispatch to the Times from Paris states that in a letter from St. Petersburg, Prof. Alexandra Ular, who is regarded in Paris as the mouthpiece of Count Witte, says that many of the highest Russian functionaries are dying from fright or are on the point of escaping from the country. In their case bombs and knives are no longer necessary. Prof. Ular says that Gen. Skalon, governor-general of Poland, with the drums of both his ears destroyed by the explosion of a bomb, is in a state of imbecile collapse, and probably will be succeeded by Gen. Rennenkampf. Admiral Dubassoff, author of "The Horrors at Moscow" whose leg was blown off, has received a present of 1,000,000 roubles (\$50,000) from the czar in compensation, but his repressive zeal is at an end, and he has decided to spend the rest of his life in foreign watering places.

Hearst a Certainty.

Buffalo, Sept. 26.—The Democratic convention was called to order at 11 o'clock and immediately adjourned until 2:30 o'clock. The committee on contested seats did not have a report ready, hence the adjournment. Hearst will undoubtedly be nominated for governor.

CASSIDY EXPELLED

From the Chicago Board of Trade for Conducting Bucket Shop.

Chicago, Ill., Sept. 26.—J. W. Cassidy, president of the Cassidy Commission company, of Quincy, Ill., was expelled from the Chicago board of trade today on a charge of bucket-shooting.

TWO CANDIDATES FOR FIRST PLACE

Judge Bagby and President McBroom Mentioned.

Full City Ticket Will Be Named By Republicans in Paducah This Fall.

WILD GUESS IS EXPLODED

The wild guess indulged in by a local paper that the Republican city ticket would have to be named today, aroused interest in the make-up of the ticket, and even since the belief that the convention must be held at once has been dissipated, public speculation continues.

Nearly all the members of the three boards, whose terms expire will accept nomination if it is offered them. None of them sought his place the first time and none is seeking office this year; but the public feels that the members are entitled to remain by reason of their record.

Councilman Kolb, representing the Third ward, it is said, may decline a nomination, and President McBroom of the lower board is inclined to forego further councilmanic honors. These are the only two known absolutely to refuse to run.

The announcement that a full ticket will be put in the field has met with favor among Democrats and Republicans alike, and the police judgeship promises to be a sharp contest. Judge E. W. Bagby and President McBroom, of the board of councilmen, are mentioned and both have been importuned by friends, irrespective of party, to announce. Either, it is believed, would be able to defeat Mr. Cross, and would add strength to the ticket.

Hannahan Is Re-elected.

Milwaukee, Wis., Sept. 26.—The Brotherhood of Locomotive Firemen today re-elected Grand Master Hannahan, of Peoria Ill., over Frank P. Sargent, the vote being 355 to 290.

More Boxes Sold.

Mr. George Goodman, who has charge of selling the remainder of the boxes for the horse show, has disposed of nearly all the dozen. Yesterday he sold boxes as follows: Dr. Victor Voris, \$10; James P. Sleeth, \$15; John S. Bleeker, \$15; Dan Fitzpatrick, \$10; William Katterjohn, \$15; Ben Billings, \$15; Mrs. W. A. Gardner, \$10; Mrs. Hal S. Corbett, \$10; Mr. E. G. Boone, \$10.

Other drills besides the musical drill will be featured and practice for all of them will be held nightly until the horse show.

IN BANKRUPTCY PROCEEDINGS ON

Rehkopf Creditors Start on a New Tack.

Another Suit Is Filed to Recover on Recent Claim for More Than \$11,000.

HOW MATTERS STAND TODAY

Creditors of the Rehkopf Saddlery company are the busiest men in the city and by reason of their efforts to secure advantage in the settlement of the debts of the concern, the situation is complicated beyond immediate solution.

It is probable that the creditors of the E. Rehkopf Saddlery company will apply this week to the district court for a temporary receiver, for all the property of that concern. Attorneys J. D. McQuinn and W. V. Eaton are representing all the petitioning creditors.

Deputy Sheriff Gus Rogers and Clark Fortson found the property at the Cohankus Manufacturing company held for the Starks-Ullman Saddlery company and seized it by proper process of law for the assignee of the E. Rehkopf Saddlery company. Shortly afterward the Starks-Ullman company gave bond for the goods attached. It is mostly leather.

Into Bankruptcy.

D. L. VanCulkin, of this city, associated with the Pfister-Vogel company of Massachusetts, and the Linen Thread company of Boston, have taken steps to force the firm of E. Rehkopf Saddlery company, which recently assigned to R. J. Barber, into bankruptcy. The step was taken yesterday when the papers were filed in the federal court at Louisville.

The Paducah merchant's claim is \$15.75, the Thread company's claim \$100, and a third firm's claim \$5,000. Papers reached Paducah yesterday afternoon and were served by Wade Brown, United States deputy marshal. The concern is directed to appear in Louisville on October 4, to show cause why it shall not be forced into bankruptcy.

This is a step that was predicted the day of the filing of the deed of assignment. Many complications have arisen in the case, one being the attachment yesterday of \$30,000 worth of assets alleged to be held in a north side warehouse. Many suits have followed the assignment and the latest are the International Harness company's claim of \$119.38, and Faots-Reynolds company's claim of \$289.94.

In no instance has an action been filed against E. Rehkopf individually. James Salen, executor of the estate of M. R. Kirkpatrick, doing business under the name of J. T. Kirkpatrick & company, filed suit today against the E. Rehkopf Saddlery company for \$11,018 for goods alleged to have been delivered recently.

It is feared other bodies are in wreck.

HEAD OF BUREAU OF IMMIGRATION

Will Attend Convention Here on October 5.

Commissioner-General F. M. Sargent Accepts Invitation to Address Meeting.

BEST INFORMED ON SUBJECT.

Capping the climax of success, which has attended the efforts of the promoters of the Southwestern Kentucky Immigration movement from its inception, the committee is now assured of the presence of Commissioner-General F. M. Sargent, chief of the bureau of immigration and naturalization, department of commerce and labor. Mr. Sargent says he will address the convention here Friday afternoon, October 5.

Better than any other person in the world, Commissioner Sargent is acquainted with the immigration problem in all its phases. He knows the value of their labor, the best means of securing a desirable class, how to distinguish them and all the laws on the subject.

Commissioner Sargent is a busy man and it was with little hope an invitation was addressed to him; but he promptly responded in the affirmative, as the following letter received this morning by Secretary D. W. Coons, of the Commercial club, shows:

"In response to your letter of the 7th instant, extending to me an invitation to address your convention, and which was brought to my attention by the acting commissioner-general on my return to the bureau, I wish to say that, unless something unforeseen intervenes to prevent, I shall be pleased to make an informal address on the subject of immigration before your convention on Friday, October the 5th." Respectfully,

F. M. SARGENT,
"Commissioner-General."

IN PRISON

PAUL O. STENSLAND, BANK WRECKER, IS LANDED.

Pleads Guilty and Gets Ten Years in Joliet Penitentiary—Three Hours' Work.

Chicago, Sept. 26.—Three hours' after the arrival in Chicago of Paul O. Stensland, he received a penitentiary sentence for wrecking the Milwaukee Avenue State bank and at 1 o'clock was on his way to Joliet. He pleaded guilty to two indictments. On the first he was fined \$120 and sentenced to one to five years. On the second he was given an indeterminate sentence of one to fourteen years. In case of good behavior, these sentences will amount to ten years.

Chicago, Sept. 26.—Paul O. Stensland, former president of the Milwaukee Avenue State bank, broken in spirit, arrived this morning in custody of officers. A large crowd of depositors was at the station and an attempt was made to mob the man who looted it, but officers succeeded in getting him safely to the county building.

WOMAN IN IRONS.

Was Allowed to Attend the Funeral of Her Husband.

Lafayette, Ind., Sept. 26.—Because Alice Cooper Lawson, slayer of her husband, was allowed to attend Charles A. Lawson's funeral there is severe criticism of the police and sheriff. Mrs. Lawson, for the first time since she stood in the doorway of Lawson's Columbia street saloon and deliberately shot him down, showed considerable emotion at the funeral.

LOVE CAUSES DOUBLE TRAGEDY

Unrequited Affection Ends in Murder and Suicide.

Superior, Wis., Sept. 26.—Because his love was not reciprocated John Young, a dock laborer, today shot and killed Rose Kaner, an 18-year-old girl, and then committed suicide.

PALMA RESIGNS HIS CHAIR FRIDAY

American Soldiers Will Then Garrison Island.

Secretary Taft Will Be in Supreme Authority Until New Election Is Held.

ANARCHY IN THE REPUBLIC

Havana, Sept. 26.—The Palma government's resignation is the signal that calls for American navy and army control of Cuban affairs. It will place Secretary Taft in the place, and war forces will garrison and take up the field. Business men favor intervention, insisting that Cubans welcome American occupation.

Havana, Sept. 26.—At the close of a meeting of fifty of the moderate leaders held last evening it was announced that President Palma, Vice-President Mendez Capote and the moderate senators and representatives would all resign their offices, and that possibly President Palma would call congress tomorrow and place the resignations in its hands.

Washington, Sept. 26.—The invasion of Cuba by the United States troops, as well as naval forces is now practically assured. Orders were issued by the war department covering all details. As soon as President Roosevelt gives the word orders to move will be issued and within an hour's time 6,000 men will be on the way to the point of embarkation. Orders were received at the war department from the president at Oyster Bay to have the army ready to move to Cuba on the shortest possible notice.

Plan to Send Troops.

Oyster Bay, N. Y., Sept. 26.—Plans for the transfer of troops to Cuba in the event of failure of Taft's mission have been completed. The final step was taken today, according to the announcement made here tonight, when the transport Sumner, now lying at the New York navy yard, was put in commission. The Sumner is in readiness for immediate embarkation of troops. Negotiations already are under way for the acquisition of merchant steamers to be used as transports.

Need Protection.

Havana, Sept. 26.—There is urgent need for thousands of United States soldiers and marines in Cuba. Anarchy reigns throughout the interior, looting of estates especially of foreigners, is reported in many sections. For the present the distressing political situation almost forgotten in fresh troubles, which have arisen from acts of marauding parties operating in unprotected parts of the country.

Liberal Leader Zayas charges the administration with treason in delivering the government to American officials. Other moderates are denouncing the peace commission for favoring the rebels. The commission is disposed to criticize the government for refusing to consider peace terms. Probably there will be no quorum of congress Friday. Moderates are advising absenteeism to suspend the government and allow Americans to seize it. If congress has a quorum the election of a new president and vice president is probable.

Terms of Peace.

Havana, Sept. 26.—Peace, it is now reported, will be made on the following terms: The elections held last December are to be annulled; Vice-President Capote is to resign; all the municipal officers who were thrown out by Speaker Freyre Andrade are to be reinstated, and all arms turned in. It is the general opinion of merchants, bankers and others that Secretary Taft is here to fix up peace by any means, and that he has carried out his instructions. They fear, however, that peace will not last. Secretary Taft, through Capt. McCoy, requested Gen. Pino Guerra to protect the Americans in his territory. The general replied that he would, and issued the necessary orders today. American officers inspected all the fortifications and roads around Havana.

Rain tonight and probably Thursday. Cooler Thursday night. The highest temperature reached yesterday was 72 and the lowest today was 66.

POSTAL CLERK ARRESTED.
Charged With Theft of Several Registered Packages.

Texarkana, Ark., Sept. 26.—E. S. Bewlebright, mail transfer clerk at the union depot since last January, was arrested last night by Deputy United States Marshal Harris on a warrant charging him with the theft of a number of registered packages at the depot at Lufkin, Tex., on October 28, 1905. Bewlebright was at that time a postal clerk on the Cotton Belt branch between Lufkin and Tyler.

BRILLIANT OPENING

FALL DISPLAYS OF RUDY, PHILLIPS & CO. ON EXHIBITION.

Big Store Has Been the Mecca for Shoppers Today and Yesterday—Season On.

The new seasons are welcomed by everybody, but more probably by the fair sex.

The new seasons bring the new clothes—the new hats, the new wraps, and all those things that go to make up fair woman's costume, and nothing is more appreciated than the exhibitions of the different season's offerings.

Yesterday and today, and continuing tomorrow, Rudy, Phillips & company are holding their opening of fall goods in each department, and the store has been crowded with shoppers keen to see what the season has new for them.

The store is beautifully decorated for the occasion in golden red, sprays of running vines and cut flowers.

The displays in each department are probably the handsomest ever shown in Paducah, and the millinery, and dry goods and shoe departments have especially been points of interest for the callers.

The displays of wraps and evening gowns, and dresses for the horse show probably lead in the attention received, but every department comes in for generous attention.

Those who have not attended the opening should take advantage of the opportunity the continuance of the opening tomorrow offers.

Will Be Heard Thursday.

Frankfort, Ky., Sept. 26.—The injunction suit brought by the Louisville, Newport and other national banks against the board of valuation and assessment, will be heard before Judge Cochran in the federal court Thursday. The action involves assessment under the 1906 law for the present year. The banks claim the law does not apply this year.

OVER THE LINE

Deputy Marshal Brown Had Chase of His Life But Lost His Man at Last.

Pete Jordan, an alleged bootlegger, showed Wade Brown, deputy United States marshal, what the word "23" meant when the popular Paducah officer went after him with a warrant for bootlegging.

The marshal said, "I chased him from Fulton, Ky., nearly to Jackson, Tenn., and he finally succeeded in getting away. Several times I was near him, but he always managed to give me the slip. He had the advantage of knowing me by sight while I was not well acquainted with him."

WELLMAN RETURNS TO PARIS.

Explorer in French Capital to Direct Airship Rebuilding.

Paris, Sept. 26.—Walter Wellman, leader of the Wellman arctic expedition, arrived here this evening from the north. He will remain here several weeks to superintend the reconstruction of his airship, which will
